Dr. Albert B. Consentino School

Mary E. Malone, *Principal*

Dear Parents & Students,

The Consentino Staff is pleased to provide an after school **Homework Drop-In Center**. This initiative is designed to increase student achievement in school and on the MCAS test. All students are welcome to "drop-in" at the library where there will be students who will serve as peer tutors and teachers to assist your student. We also have peer tutors from the high school who volunteer their time on Wednesday.

The center will be open **Tuesday, Wednesday and Thursday from 2:45-3:30** in the library. We ask that your child bring his/her agenda to the homework center each time they attend, and we will make a note your child has attended in it for you to check. Students will be required to sign in each day that they are using the homework drop-in center after school, and will only sign out if they leave before 3:30.

This year's program will begin Tuesday, October 6<sup>th</sup>. We will need your permission for your child to attend. We ask that all arrangements for your child's participation be handled before they come to school (i.e. reminding students to attend, transportation, etc.)

Please fill in the information and detach the bottom of this form. Your child can return it to his/her homeroom. We ask that both parent and student sign as a gesture of cooperation. Working together we can make this a successful program for your student. Thank you in advance for your support. We are looking forward to a very successful school year.

Sincerely,

Mary E. Malone  
Principal
